BECKWITH'S ANTI-DYSPEPTIC PILLS
have been most successfully employed in almost every variety of functional disorder of the stomach, bowels, liver, and spleen; such as heartburn, acid eructations, nausea, headache, the distension of the stomach and bowels, indigestion, diarrhoea, colic, jaundice, flatulency, habitual constiveness, loss of appetite, sick headache, sea-sickness, &c., &c. They are a safe and comfortable aperient for females during pregnancy and subsequent confinement, relieving sickness at the stomach, headache, heartburn, and many of the incidental nervous affections. Literary men, students, and most other persons of sedentary habits, find them very convenient. Those who indulge too freely in the pleasures of the table find speedy relief from the sense of oppression and distension which follow, by taking the pills. As a dinner pill, they are invaluable. Those who are drinking mineral waters, and particularly those from southern climates, and who find it difficult to find them a valuable adjunct. Those who are exposed to the vicissitudes of weather on voyages or journeys, can take them at all times with perfect safety. In full doses they are a highly efficacious and safe anti-bilious medicine. They seldom or never produce sickness at the stomach or griping.

There have been many imitations and worthless counterfeits of these pills put in circulation by unprincipled and ignorant persons—their distensions, wrappings, &c., of the genuine pills so closely and accurately copied, that the closest observer could not, without a trial of their effects, distinguish between them.

Dr. T. W. Dwyer & Sons, of the Columbian college, 131 N. 2nd street, Philadelphia, having undertaken and been appointed by Dr. Beckwith sole agents for the United States, for the sale of the above pills, the public are informed that they can be supplied with the genuine article in any quantity at the same price as by the proprietor, by applying as above.

N. B. To guard against counterfeits, all the pills furnished by the sole agents, are put in dozen packages, with a blue and white label, and a letter from Dr. Beckwith's ANTI-DYSPEPTIC PILLS, T. W. DWYER & SONS, sole agents for the proprietor.

Certificates having for several years accompanied each box, and the public being now familiar with the kind of testimony in possession of the proprietor, he has thought it no longer necessary to publish them, but simply to give a list of references (from among many) to persons who have given their personal experience of the efficacy of the pills, are willing to recommend them to their friends.
